

Privacy Policy
Site Disclaimer

Any use of this website or the information contained in the website is at your own risk. The Dallas Heart Group bears no responsibility for the consequences of your decision to use any of the information contained in this website.

The medical information in this site is for educational use only and is not a substitute for professional medical advice. You should always consult your physician if you have any questions related to your medical care.

Privacy Policy

The Dallas Heart Group protects the right to privacy of our patients and web site visitors. When a person visits our web site we may collect and track data from our site's server. This information helps us to improve upon the content provided on our site. Information collected may include how long you spend on our site, the pages you visit, your browser and operating system types and the name of your Internet service provider.

Our web site provides the capability to request information on-line. To process your request, we may require that you provide us with personal identifying information. All information collected is held in complete confidence. It is our policy not to share the information with third parties for any reason, unless legally required to do so or as necessary to process your requests.

If you have any questions about our privacy policy or our use of information gathered through our web site, please contact us.
